

You've Been Boo'd

Here's what you do next:

* Place you're We've been Boo'd sign on your door or window to let others know that you have been boo'd.

*In the next two days, make a copy of the signs and a list of what to do, you can find these on Urbasicmom.com. Gather some Halloween treats, and make a fun Halloween treats basket.

*Deliver those treats to a neighbor or a friend who has not been boo'd yet. Make sure you do not let them see you do it! As that is part of the fun!
